

KASHYAP JOSHI

VDC / BIM Coordinator | Construction Project Management Graduate

(617) 906-1438 | joshi.kas@northeastern.edu | [linkedin.com/in/kashyapjoshi1147](https://www.linkedin.com/in/kashyapjoshi1147) | [Portfolio](#)

TECHNICAL SKILLS

- **Project Management:** Procore, Primavera P6, Microsoft Project, Excel, Adobe Creative Suite, Bluebeam Revu
- **Construction Methods:** MEP Coordination, QA/QC, Constructability Review, Clash Detection, As-Built Modeling
- **Documentation:** RFIs, Submittals, Change Orders, Coordination Logs, BOQs, Cost Estimation
- **Scheduling & Planning:** CPM Scheduling, WBS Development, Critical Path Analysis, 4D Sequencing

PROFESSIONAL EXPERIENCE

UMASS Chan Medical School: -Facilities Project Delivery Co-op (Worcester, MA)

Jan 2026 – Present

- Streamlined 100+ RFIs, submittals, and drawing reviews in Procore, reducing issue resolution time by 20% and preventing downstream construction delays
- Led BIM/VDC coordination across MEP trades using Navisworks, resolving clashes during design phase and eliminating costly field rework before mobilization
- Analysed MEP systems across 5+ trades for constructability, identifying and resolving design conflicts that would have caused schedule disruptions in the field
- Executed QA/QC reviews and constructability analyses across 3 concurrent projects, ensuring zero specification deviations at handoff
- Developed BIM Execution Plans (BEPs) and Scan-to-BIM workflows for a 500,000+ SF medical facility, improving as-built accuracy and supporting long-term facility management

JNK Architect: - Architect Project Manager

Jul 2023 - Sep 2024

- Directed 8+ mixed-use construction projects (\$1.2M+ each), delivering on schedule, within budget, and at full quality compliance
- Managed project schedules using Primavera P6 and Microsoft Project, identifying critical path risks and preventing delays across 4 active workstreams
- Conducted QA/QC inspections and punch list tracking on 6+ projects, cutting rework by 20% and accelerating project closeout timelines
- Controlled costs across \$8M+ in total project value through BOQs, procurement coordination, and cost tracking strategies

Incept The Design Studio: - Architect & Project Coordinator Intern

May 2022 - Nov 2022

- Built WBS and CPM schedules incorporating 4D sequencing concepts using CM Builder, improving pre-construction planning accuracy
- Produced 50+ 2D/3D models using AutoCAD and Revit, advancing design coordination and construction documentation quality
- Coordinated BIM models across architectural, structural, and MEP disciplines, improving collaboration and reducing design conflicts by 15%
- Prepared BOQs, cost estimates, and tender documentation, directly informing procurement decisions and budget alignment across 4 projects

CERTIFICATIONS

OSHA 30-Hour Construction Safety and Health Certification | Procore Certification: Project Manager | Construction Manager-in-Training (CMIT) | BIM 360: Docs Essential Training | Construction Management: Reading Civil Construction Drawings | Construction Management: Planning and Scheduling | Learning Construction Estimating

PROFESSIONAL STRENGTHS

- **Project Coordination:** Schedule control, subcontractor coordination, stakeholder management
- **BIM & VDC:** Clash detection (Navisworks), as-built workflows, model coordination
- **Construction Analysis:** Risk assessment, constructability review, cost & schedule tracking
- **Technical Documentation:** RFIs, submittals, contract drawings, construction documentation

EDUCATION

Northeastern University, Boston, MA

Sep 2024 - Dec 2026

- MS in Project Management (Construction Specialization)

GPA: 3.8/4.0

Gujarat Technological University, Gujarat, India

Mar 2018 - Jul 2023

- Bachelor of Architecture

GPA: 8.7/10
